

## INTERNSHIP OFFER

**October 01, 2025**

**Ms. Abina N J**  
**Neyyan House,**  
**Erumappety PO, Kariyanoor,**  
**Thrissur Kerala 680584**

Dear **Abina**,

**Congratulations!**

We are pleased to inform that you have been selected for internship as **AI Solutions Specialist Intern** effective from **November 01, 2025**.

We are delighted to extend an offer for the position of **AI Solutions Specialist Intern** at **DataWorks Technologies Private Limited**. This internship will commence on **November 01, 2025** and will span a duration of 3 months, concluding on **January 31, 2026**.

We take this opportunity to thank and appreciate your decision to join with us. We trust that your knowledge, skills and experience will be among our most valuable assets.

### Internship Objectives

During your internship, you will work closely with our **Data Science & Machine Learning team**, to supports the design, positioning, and delivery of AI-driven solutions by bridging technical capabilities with business needs. Conducts research, develops solution assets, and enables data-backed client engagements and go-to-market initiatives.

You will collaborate with experienced professionals and contribute to projects focused on

1. Collaborate with Sales and Product teams to map client business challenges to AI-driven solutions and architectures.
2. Support creation of technical solution decks, demos, and PoC documentation showcasing AI capabilities and impact.
3. Research emerging AI technologies, competitive offerings, and market trends to inform go-to-market strategy.
4. Analyze client data and use cases to generate insights and recommend suitable AI models or frameworks.
5. Assist in automating marketing analytics and lead intelligence using AI tools and data pipelines.
6. Contribute to proposal drafting, RFP responses, and technical storytelling for enterprise clients.

### Evaluation for Full-Time Employment

At the conclusion of your internship, we will conduct a comprehensive review of your performance and potential fit within our organization. Successful completion of the internship and meeting our

performance criteria may lead to consideration for a full-time position as an **AI Solutions Specialist** with **DataWorks Technologies Private Limited**, subject to availability and mutual agreement.

**Potential Full-Time Role as Machine Learning Engineer**

We envision the possibility of transitioning you into a full-time role as an AI Solutions Specialist upon successful completion of your internship. The full-time position would involve responsibilities such as:

1. Design and deliver end-to-end AI solution architectures aligned with client business objectives.
2. Lead technical discovery, PoC development, and solution demonstrations for enterprise clients.
3. Collaborate with cross-functional teams to drive AI adoption, optimize performance, and scale deployment.

**Next Steps**

To accept this internship, offer, please sign and return this letter by **October 15, 2025**. If you have any questions or need further information, please do not hesitate to reach out to **Mr. Paly Paul Varghese** at **paly@candata.ai**.

We are excited about the prospect of welcoming you to our team and believe that your skills and enthusiasm will make a valuable contribution to **DataWorks Technologies Private Limited**. We look forward to a successful collaboration during your internship and potentially beyond.

Welcome onboard! We look forward to a mutually fruitful association.
