## ECSA REPORT 2022-23

ECSA, Electronics and Communication Students Association of Jyothi Engineering College plays a significant role in modelling young engineers through academia and outside curriculum activities. ECSA works as an influential and dynamic organization under the department of Electronics and Communication, looking forward for the betterment of both students and faculty.

The renewed panel of ECSA for the academic year 2022-23 was formulated by an election process conducted under the manifestation of Asst. Prof. Mr. Ponmani Raja M, Staff coordinator, Mr. Chriswin Lingson from S7 ECE as chairman, Ms. Bhavana Vijayan from S7 ECE as secretary, Ms. Kavyasree A Nair from S5 ECE as Vice chairman, Mr. Aju Antony from S5 ECE as Joint secretary, Mr. Abhiram A R from S3 ECE as Treasurer and all the ECE department students as the members.

The inaugural function of ECSA with IETE for the year 2018-19 was conducted on 15th Feb 2019 by Dr. D Nirmal. Assoc. Professor karunya University as the Chief Guest and gave a technical talk on 'Emerging trends of microelectronics'.

The inaugural function of Electronics and Communication Students Association (ECSA) in association with IETE for the year 2019-20 was conducted on 20<sup>th</sup> September 2019. Shri. SHOUKATH C (Scientist/Engineer 'D', NIELIT, CALICUT), was the chief guest and gave a technical talk on "ADVANCED TECHNOLOGY IN EMBEDDED SYSTEMS".

Due to the extreme situations of the pandemic, shutting down of offline classes, the programs were conducted online. The Department of Electronics & Communication Engineering along with ECSA in association with IETE, ISTE, IEI & IEEE conducted various workshops and technical talks through online platforms. Now after two years, we are here to inaugurate the newly elected panel of ECSA for the year 2022-23. Let this be a great restore of this organization.

Gratitude is an attitude of our heart. I thank our college management, beloved HOD, Staff and Students for their love and support. Nothing would have been possible without the restless efforts from my co-members. Thanks a lot.

ECSA, it's a never-ending battle. It is marching towards the zenith of promising and efficient technical skills and knowledge. Now, I entrust this organization in to the hands of my young engineers. Life is all about chances and opportunities, never leave anything to chance, wishing you all the very best and hope ECSA will add a golden feather to Jyothi Engineering College.
