Report of Research Workshop on 10-01-2020

Jyothi Centre for Research and Development (JCRD) organized a one day workshop on Friday, 10th January 2020. The Speaker of the workshop was Dr. Jacob Philip, Dean - Academics, Amal Jyothi College of Engineering, Kanjirapally on the topic "Guidelines for Writing Research Proposals & Research Papers". The workshop Started at 10.30 am with a prayer. Sr. Dr. Rose Anitha welcomed the gathering. Rev. Dr. Jose Kannampuzha, highlight the importance of research for the growth of institution. Rev. Dr. Jaison Paul Mulerikkal, discussed on funded projects and publications. Dr. Jacob Philip handled the sessions on ethics in research, guidelines/tips to write research papers and doctoral thesis, and various opportunities in engineering science which was followed by active discussion. Sixty six faculty members participated in the workshop and Certificate of Participation was distributed. The workshop was concluded at 03.00 pm.

Dear Sir,

Greetings from Jyothi Engineering College, Cheruthuruthy, Thrissur!

Thank you for accepting our invitation to host the Research session.

This is to remind you about the program on July 6th, 2019, Saturday (9.15 am - 12.30 pm) at Jyothi Engineering College, Cheruthuruthy. We would like to include the topics "Research Culture, Publications, Patents, Funded Projects and related matters" in your presentation. You may add other relevant points regarding R & D.

As we discussed over the phone, when you reach Shomur railway station, we will arrange vehicle facility. Kindly inform your time of arrival.

The schedule of the day is as follows:

Time	Activity
09.15 am - 10.30 am	Input Session by Prof. Vineeth Paleri, Department of Computer Science and Engineering, NIT Calicut. Topics: Research Culture, Publications, Patents, Funded Projects and related matters
10.30 am - 11.00 am	Tea Break
11.00 am - 12.00 pm	Input Session - continues
12.00 pm - 12.30 pm	Discussion with Prof. Vineeth Paleri
12.30 pm -	Lunch Break

Hope to meet you on 6th July.

Thanking you,

with Regards

--
Sr. Dr. Rose Anitha
Director (Research)
Jyothi Engineering College,

Report

Department of Mechanical Engineering organised a webinar on “How to search and analyse effectively to get relevant and latest literature: Few time saving tips” in association with Jyothi Center for Research and Development on June 25, 2020.

Resource person for the webinar:

Dr. Ramesh L. Gardas,
Professor, Department of Chemistry,
Indian Institute of Technology Madras, Chennai.

The program started exactly at 2.00 pm with the welcome address given by Sr. Dr. Rose Anitha (Director – Research). Prof. Ramesh Gardas started the session at 2.05 pm and described a lot of details about literature search and procedures with live demonstration in the scopus and other sites. The talk was really helpful for the faculty and students in various ways. Moreover, the lecture was interactive so that participants are able to clear their doubts. The program completed at 3.15 pm with the vote of thanks delivered by Mr. Sheik Afthab S, Assistant Professor of Mechanical Engineering.

Details of the participants registered for the webinar are given below.

Total No. of participants registered: 400+

Total No. of participants attended: 233 (excluding Resource Person and Coordinators)

No. of participants attended from Jyothi: 63

No. of participants attended from other colleges: 170

Total No. of institutes participated: 92 (including Jyothi)

No. of states covered: 14 states (including Kerala)

No. of International participants: 4

The entire program was recorded and the copy of video is attached herewith.

Thank you

NBA accredited B.Tech Programme in Civil Engineering valid for the academic years 2019-2022.

Two Days Online Workshop on “The Art of Technical Writing” was organised by Department of Mechanical Engineering, Jyothi Engineering College, in association with Indian Society for Technical Education (ISTE) - JECC Chapter during August 07 & 08, 2020. Four different sessions covering research proposal writing, journal publications, publication ethics, UGC care journal list and patent writing with participants’ active interactions made the programme extremely attractive to the academic and research community. The workshop program was inaugurated by Dr. Biju P. L, Head of Mechanical Engineering Department. All together 239 participants from more than 100 different colleges attended the workshop programme.

Day 1: 7th August 2020

Forenoon session on “Preparing Effective Research Proposals” was handled by Dr. Abhilash Suryan, Assistant Professor, Department of Mechanical Engineering, College of Engineering Trivandrum, Kerala. The presentation was focused on the challenges, activities and engagements in writing research proposals. In addition to that, details about various funding options including DST-SERB, AICTE, DRDO, etc. and their submission procedures were also presented in an effective manner.

NBA accredited B.Tech Programmes in Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering and Mechanical Engineering valid for the academic years 2016-2022. NBA accredited B.Tech Programme in Civil Engineering valid for the academic years 2019-2022.

Afternoon session on "Publication Ethics and UGC-CARE List" was handled by Dr. Shubhada Nagarkar, Assistant Professor, Department of Library and Information Science, Savitribai Phule Pune University, Pune. The presentation was focused on standard publication practices, responsible conduct of research, publication ethics, publication misconduct and plagiarism policies including self-plagiarism. In addition to that, details about the features of UGC care list, protocols for journal analysis and Group 1 and 2 journal list, were also presented in an interactive manner.

Standard publishing practices

- Editorial board and peer review policies and process
- Article submission procedure
- Peer review process
- Revision and resubmission
- Time span for publication
- Archival of publication
- Accessibility

Day 2: 8th August 2020

Forenoon session on "A Few Tips on Scientific Writing Skills: Do's and Dont's" was handled by Dr. Ramesh L. Gardas, Professor, Department of Chemistry, Indian Institute of Technology Madras, Tamil Nadu. The presentation was focused on how to start writing a research proposal and research paper, challenges faced by the researchers during submission and how to find a suitable journal. In addition to that, details about google scholar, Scopus and web of science, Microsoft academia, research gate and orchid database were explained with live demonstration in their respective websites. During this session, the participants got many tips for writing a truly terrible journal article.

Programme Report

Department of Mechanical Engineering completed the first webinar on "Intellectual Property Rights in Research: Knowing the Basics" in association with ISTE-JECC Chapter on June 17, 2020.

The chief guest for the webinar was Dr. Sreedha P, Women Scientist (KIRAN-IPR), Patent Information Center, KSCSTE, Kerala.

The program was started exactly at 2.30 pm with the welcome address given by Dr. Biju P.L., HoD-ME followed by resource person introduction by Dr. B. Deepanraj. Dr. Sreedha started the session at 2.35 pm and described a lot of details about intellectual property rights including patent and copyright. The talk was really helpful for the faculty and students in various ways. Moreover, the lecture was interactive so that participants are able to clear their doubts. The program completed at 3.45 pm with the vote of thanks delivered by Mr. Cijil B. John.

Details of the participants registered for the webinar are given below.

Total No. of participants registered: 260

Total No. of participants attended: 169

No. of participants attended from Jyothi: 104

No. of participants attended from other colleges: 65

Total No. of institutes participated: 56 (including Jyothi)

No. of states covered: 4 (Kerala, Tamil Nadu, Andhra Pradesh and Telangana)

No. of International participants: 2

The entire program was recorded and the copy is attached herewith.
