Post the Annual report we've moved onto open forum discussion. The major discussion points were:

1. Parent Association registration along with bylaw & Data Base (DB) update and a dedicated website for Alumni connect. As part of the parent Association registration, principal agreed to register parent Alumni under TET, also identifying an official space for Alumni inside the college was considered.

2. Quarterly Newsletter / JECC news channels for Alumni in the following modes.

A) Through website

B) through College FB Page

C) one hard copy for future reference and documentation purposes. Also, we should add obituaries, wedding & major achievements section in JECC news channels.

3. As part of the DB update and other alumni related activities, Alumni executive committee decided to identify a staff with 50% billability shared by Alumni fund.

4. Post DB collection, year on year basis, we should send out a hard copy Alumni invite to the JECC alumni at least a month before the planned alumni meet.

5. Alumni meet 2020 will be organised by 2010 batch and Mr. Sreekanth Achuthan identified as the co-ordinator for the same. 2010 can batch decide the venue of the program on or before December 31st 2019. Mostly accepted suggestion was Thrissur and college itself.

6. Also we should plan the next alumni meet on a Saturday, so that we can arrange a video conferencing were all other chapters can join online, especially UAE chapter.

7. Also a widely accepted suggestion was to conduct every other alternate year Alumni meet on college campus in order to get the connect.

8. Also, principal requested every alumnus to promote the college. Also, he suggested Alumni to come to college on Send off Day to invite all the pass out Students formally into alumni association.

9. Reminded everyone on the Alumni executive committee election going to happen on alumni meet 2020.

10. Asked secretary to share the report in JECC news channel & to alumni executive committee Asap.

11. Principal was mentioning about creating a success story sharing platform for Alumni inside the college.
